Communion under both kinds: Holy Communion has a fuller form as a sign when it is distributed under both kinds and communicants are encouraged to receive the Body of the Lord as well as the precious Blood. Although, for personal reasons, Holy Communion can be received in one kind –Christ is really present and is received whole and entire, body and blood under either form alone. However, I would like to draw your attention to the teaching of the Bishop's Council of England and Wales regarding Holy Communion by Intinction. **The Roman Rite does not permit that communicants themselves dip the Sacred Host into the Precious Blood.**

The Bereavement Support Group is a parish-based ministry responding to the needs of the bereaved by offering emotional, and sometimes practical, support as they learn to cope with their loss. Although grieving is a natural process which can be helped by the sympathy and understanding of family and friends, sometimes a person may need support to work through it in a positive way. The Bereavement Support group offers a 'listening ear' to those who have been bereaved. Many Bereavement Support Group members have themselves been bereaved of someone close to them. They aim to listen with understanding, to accept those suffering loss as they are, and support them through the grieving process.

Wednesday 15th August is the feast of the Assumption of the Blessed Virgin Mary and is a Holy Day of Obligation. Masses will be at 10.00am and 7.30pm

At the Transfiguration, Father, You showed Jesus in glory,
a glimpse of what His disciples would see in His risen life.
Bless us in our humanity, with an awareness of Your presence,
leading us to share in Your divine life even in our daily struggle.
Help us to deepen our knowledge of the Law and the Prophets,
channels of Your grace throughout history,
and signposts for our journey.
Amen.
